

## Racer Games List

The following list details every game available on the ArcadePro Racer arcade machines. The entire list is in alphabetical order. Also listed is whether the game features Force Feedback Functionality (tactile feedback from the machine's force-feedback steering wheel) or compatibility with the game's manual gear shifter.

You can search through the games list using your browser's search functionality (Ctrl and F on PC on Cmd and F on Mac)

Game	Force Feedback Functionality	Gear Shifter Functionality
